

Cereal calories Count

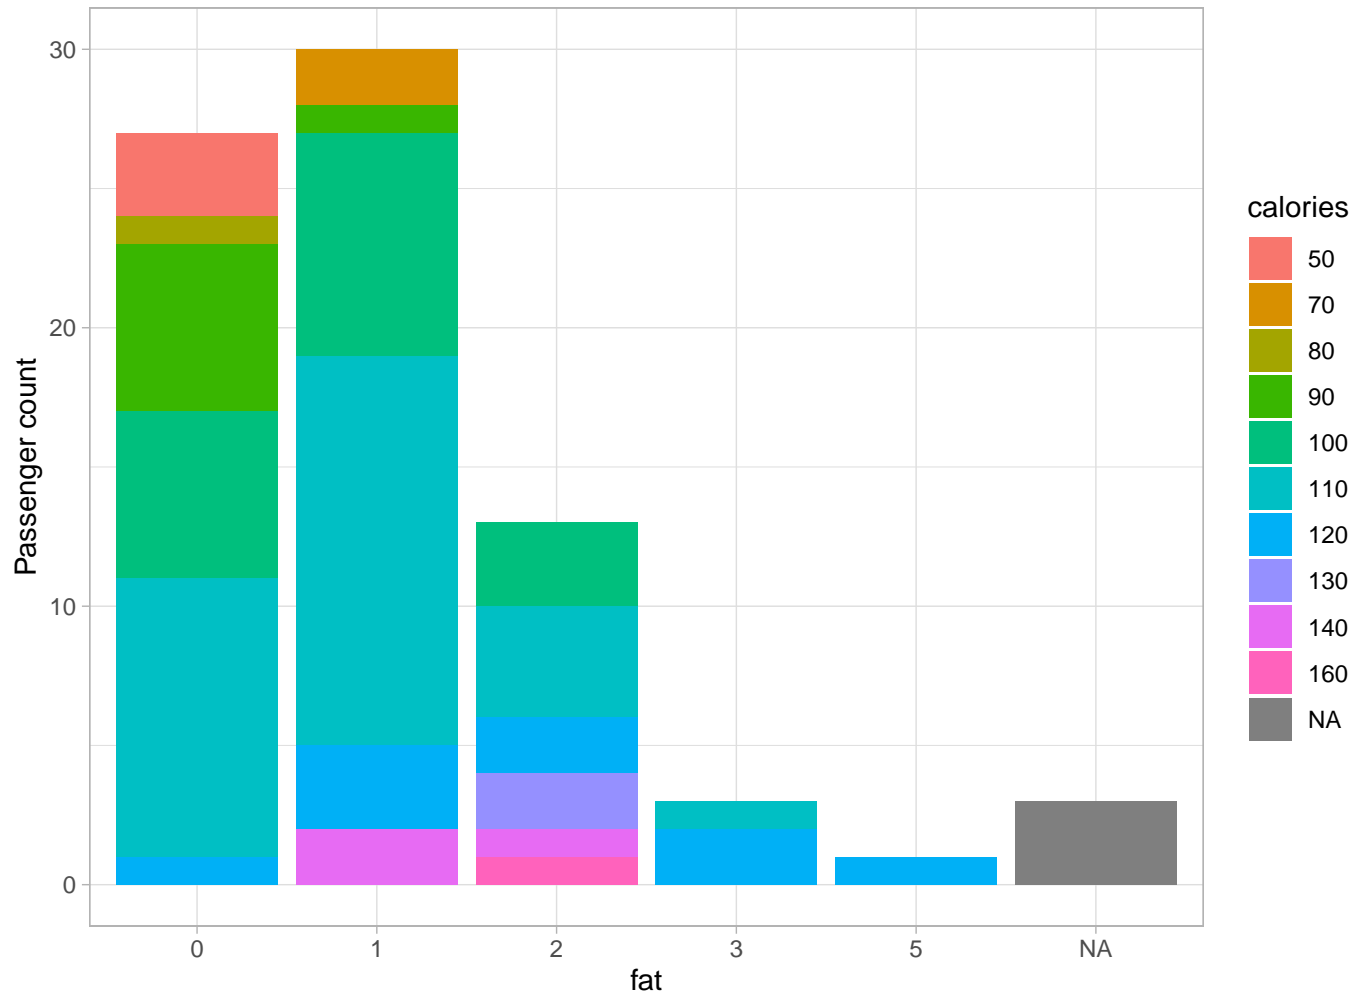

A stacked bar chart showing the distribution of protein counts across different categories. The x-axis is labeled 'protein' and has categories 1, 2, 3, 4, 5, 6, and NA. The y-axis represents frequency. The bars are stacked with various colors: cyan, blue, magenta, purple, green, red, and grey.

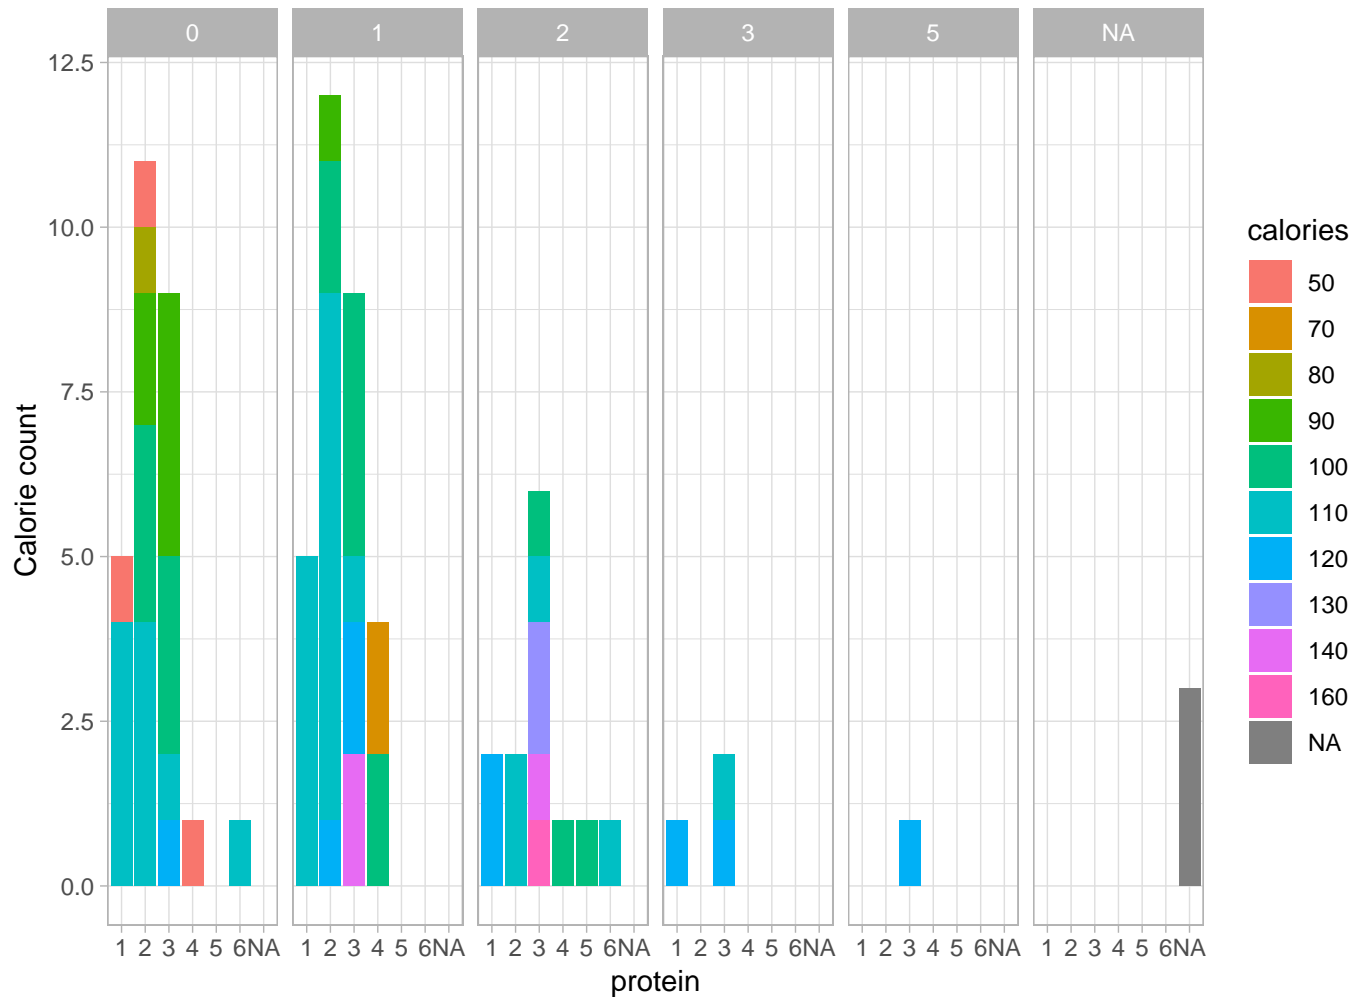

protein	Frequency
1	1
2	2
3	3
4	1
5	1
6	1
NA	1
